

InTouch Ministries

Dear Rob:

My name is Jamie A. Hughes, and I am the managing editor of *In Touch* magazine in Atlanta, Georgia. We are the flagship publication of In Touch Ministries, founded by Dr. Charles Stanley. Our magazine is shipped free of charge to 1.4 million readers each month, and another million or so readers visit our [website](#) in that time.

We are currently looking for freelance writers, and during the course of our research, we came across some articles you've written. Based on what we've seen so far, we believe you'd be a good fit for our team. Would you be interested in writing a piece on spec?

If it meets our needs, we will purchase it from you at our regular writers' rate (\$.30 per word) and add you to the freelancer pool. You will get a pitch call from us once a month, but you can also send us ideas any time as we buy articles in advance.

If you are interested, please respond to me directly at this email address. You may also call my number listed below if you prefer. I will be happy to send you a new writer's fact sheet and example packet if you would like more information.

I do hope to hear from you soon! Many thanks in advance for your consideration.

All best,

Jamie A. Hughes
